

Guide to using Seesaw using an Xbox or PlayStation to access Seesaw

An alternative way to access your remote learning at home during school closure, games consoles can be used to view and participate in home learning, however uploading of responses must be from a tablet or mobile device.

Xbox

1. If you have one, connect either a wired or wireless keyboard to the xbox.
2. Go into 'My Games and Apps'.
3. Find 'Microsoft Edge' and select.
4. Go to app.seesaw.me and hit enter.
5. Select 'I'm a student'.
6. Enter your code (we can re-issue a code for you) and login.
7. You will now have full access to your Seesaw pages.

PlayStation

1. Identify the PlayStation browser (it is WWW with dots around it) and enter.
2. Go to the library and find options for games and controllers.
3. Go into applications and you will find the internet browser
4. Go to app.seesaw.me
5. Select 'I'm a student'.
6. Enter your code (we can re-issue a code for you) and login.
7. You will now have full access to your Seesaw pages.
8. To move around use the PlayStation controller.

(Please note: Photo responses to work cannot be uploaded via games consoles, to do so, please upload responses using a tablet or mobile device.)
