Dear Parents/Carers of pupils in Y1-Y6,

Further to my previous letter regarding the new national lockdown and therefore the return to remote learning, we would like to extend the initial remote learning offer to include some live sessions for your child to interact with their class teacher and class mates.

As part of our remote learning offer our intention is to offer your child some 'zoom school' sessions three times per week. These sessions will not be formal lessons but offer your child some face to face contact time with their friends and class teacher. The sessions will vary in content and may include a class game, or reading from a class book.

Dates and times of these sessions will vary depending on when your child's class teacher is timetabled to be teaching key workers in school. Each class teacher will timetable 3 sessions that will take place on the same day and time each week. You will be given the zoom session day, time, code and password on Seesaw.

In order to run these zoom sessions safely there are several e-safety measures I would like to bring to your attention:

- Please join the zoom session with a neutral background behind you, be mindful of what others can see on the screen. (Sit on the sofa/at a table etc.)
- Staff and children must wear suitable clothing, as should anyone else in the household.
- Language must be professional and appropriate, including any family members in the background.
- Videos may be muted for both pupils and staff if other children in the household become unsettled or cause a disruption.

Although we hoped that we would not find ourselves in the position of having to offer remote home learning again, we want to ensure that it is a safe, fun and happy experience.

Please sign the attached slip to say you agree to follow the e-safety measures if your child joins a zoom session and email it to your child's class teacher by Friday 8th January. Zoom sessions will start week commencing Monday 11th January.

Kind regards

Tony Rigg
Head Teacher
