Dear Parents/Carers

As part of our EYFS remote learning offer for a bubble or whole school closure our intention is to offer your child some 'zoom school' sessions. These sessions offer your child some face to face contact time with their friends and class teacher as well as supporting their development across the prime and subject specific areas of learning.

As stated in the remote learning parent guide this will offer your child 3 weekly zoom sessions:

Session 1: Story

Session 2: Phonics

Session 3: Maths

You will be given the zoom session time, code and password on Seesaw if your child is in Reception and using Marvellous Me if your child is in Nursery.

In order to run these zoom sessions safely there are several e-safety measures I would like to bring to your attention:

- Please join the zoom session with a neutral background behind you, be mindful of what others can see on the screen. (Sit on the sofa/at a table etc.)
- Staff and children must wear suitable clothing, as should anyone else in the household.
- Language must be professional and appropriate, including any family members in the background.
- Videos may be muted for both pupils and staff if other children in the household become unsettled or cause a disruption.

The zoom sessions during lockdown were very well received:

"It has been brilliant to see them so excited to see and talk to you."

"Even if the children can't run anymore to the gate they're waiting with bated breath for you to start the zoom session."

Although we hope that we do not find ourselves in the position of having to offer remote home learning again we want to ensure that it is a safe, fun and happy experience.

Please could you electronically fill in the attached slip to say you agree to follow the e-safety measures if your child joins a zoom session by Monday 12th October 2020 and email to sara.nichol@ntlp.org.uk

Kind regards

Mrs S Nichol
