OUT OF SCHOOL CLUB

Information Booklet for Fun Club
After School Care and Holiday Care

Telephone: 07715204643

Enquiry Email: amberleylittleangels@gmail.com

Bookings: Through Famly App (email for information)

We are situated in the grounds of Amberley Primary School
We have easy access to the school yard and playing field for activities.

We are part of Little Angels Fun Club and Nursery LTD

Care and Learning

The children are cared for by a dedicated team of staff who hold qualifications in either childcare or play work. At least one member of staff is qualified to a minimum of level 3.

Activities are planned for the children and are differentiated for individual children based on their current interests and development. The children are also given independence to choose their activities.

Children are encouraged to be part of the planning process and their input is valued.

During holiday time the children are taken out on trips where possible for example, Ten Pin bowling, Jesmond Dene and we also join with our Funclub at Cramlington Village Primary School for fun activities. We offer theme days for the children to take part in, for example 'I'm a fun clubber get me out of here' and dinosaur day.

Ross - age 7

Mission Statement

Amberley Out of School Club aims to offer:

- Affordable high quality childcare
- Nurturing environment that is safe and secure
- Growth and development through new experiences
- Empowering individuals to fulfil their potential
- Liaising with parents and professionals to ensure the best care
- Staff who are approachable, loving and caring.

To ensure that we can continue to achieve these we aim to follow the 5 C's in caring for children:

We aim to provide the five Cs in out of school club:

Care for the children in a safe, loving home from home environment, using staff who share a love for children and who are trained to support the children

Challenge the children through a range of activities, which support them and encourage them to develop at their own rate of progress

Communicate well with parents, other carers and with visitors, demonstrating what we understand to be good practice in all we do

Coordinate our human and physical resources to be able to develop excellent practice in our care and education of children

Cooperate within our organisation and with external agencies in all we do when it is deemed to benefit children, either in the short or long term.

Key Worker

Each child who attends are site on a regular basis and is in nursery or reception will be allocated their own key worker. This is a member of staff with whom they will have regular contact.

The key worker meets the child on their first visit to the club and enables them to settle by introducing them to a “buddy”. The child buddy then shows the child around the club and introduces them to other children and all of the areas of the room. This is overseen by the child’s key worker.

The key worker also keeps notes on the child’s areas of interest so that appropriate and relevant activities are included in the weekly planning. Although activities are planned, if the children have their own ideas we go with their enthusiasm and carry out their preferred activities.

Each key worker maintains contact with the children’s parent by giving feedback at the end of each session the child has attended.

Meals

When the children are with us at the out of school club they have a nutritious hot or cold meal which consists of a two-course meal.

Meal times are an important social time and staff sit with the children to show good examples and to ensure the children all have sufficient food and are encouraged to try new things.

Any specific diets can be catered for on request. A copy of the menus will be given out and recommendations can be made by parents/carers to ensure the children’s dietary needs are met.

Due to the current situation, self service has been removed from our daily routine (qualified members of staff plate the food for the children) however this will be brought back in the future once normality resumes.

Kind Regards

Michelle and Karen
Amberley Angels Team

Please call for further information or to arrange to come and meet the team and have a look at our environment. We look forward to meeting you!
