

High Borrans Residential 2026

Monday 9th March - Wednesday 11th March

- **All 41 children + 4 school staff**
- **3 days, 2 nights and includes all transport, tuition, accommodation and meals.**
- **4 school staff with each group with High Borrans & residential experience to include paediatric first aider.**
- **4 experienced, fully qualified High Borrans Instructors + 2 staff with each group of 10 or 11 children.**
- **Cost = £332 (£18 reduction per child as only a single coach needed)**

What is High Borrans?

Located near Windermere in the Lake District, it was a country 'sporting lodge' built in 1880's for a wealthy family. After many different functions include a home for evacuees, it is now an Outdoor Education Centre owned by North Tyneside since 1960's and provides opportunities for children from urban settings in North Tyneside to experience outdoor /rural activities at a subsidised rate.
