

AMBERLEY PRIMARY SCHOOL

Y3 Autumn 2 Homework

Please select one activity per week to complete and upload a picture to seesaw for your child's teacher to see.

Each week your child will have a book to read at home.
Please fill in the reading record weekly and ensure the book is in school on your child's reading day.

The spellings for the half term are on Seesaw.
Each week a new spelling list will be uploaded for practice on spelling shed and your child should practice their times tables weekly on 'Timestable Rockstars'

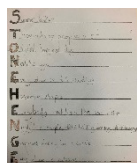

Please see your child's homework book for their login details.
This book can be used to complete any of the tasks below but does not need to return to school.

English

Write an acrostic poem about the 'Stone Age' or 'Prehistory' including information about the Stone Age and poetic devices such as:

Adjectives
Alliteration
Similes
Metaphors
Rhymes

Happy writing!

Maths

Your challenge is to learn the time.
Here are some good websites to help you.

How to tell the time - BBC Bitesize
Free Online Telling Time Games | Education.com
Teaching Clock (topmarks.co.uk)

Eco Challenge

Audit the energy use in your house! If any devices are left on standby when not being used, switch them off. Make sure phone (and other chargers) are unplugged or turned off at the wall when not in use. Make sure lights are off during the daytime at weekends! See if you can reduce the energy use in your house this week.

Life Skills

Lots of children have already made a good start practising this skill, but can you beat your teacher's time of 31 seconds? Practise tying your shoes laces.

Upload a video to Seesaw!

Science

Watch this link to find out about fossils;
<https://www.bbc.co.uk/bitesize/topics/z9bbkqt/articles/z2ym2p3>
Have a go at drawing some ammonite fossils into your homework book.
Carry out some research about Mary Anning.

- Who is she?
 - What did she discover?
 - Why was her discovery so important?
- Create a poster or power point about her and her discoveries.

History

During the Palaeolithic phase of the Stone Age, people lived in caves. If you had to live in a cave what would you like it to look like and what would be in it? Be as creative and imaginative as you like! Maybe you could build your own 3D cave to share.

You could take a video of you building it and tweet us at @AmberleyYear3 or post it to Seesaw.

ICT

Although we will explore the use of Stone Age tools within history lessons, it's time for you to delve a little deeper. Carry out some of your own research on Stone Age tools and make a PowerPoint presentation or poster about them. You could think about what phase of the Stone Age they were first used, what they were used for and what they were made from.

Art

Can you recreate an image of Stonehenge similar to those below? Upload your beautiful pictures into Seesaw.

This half term we are learning about The Stone Age in history. Your knowledge organiser for this half term is attached with this homework grid.
