

AMBERLEY PRIMARY SCHOOL

Y3 Autumn 1 Homework

Please select one activity per week to complete and upload a picture to seesaw for your child's teacher to see.

Each week your child will have a book to read at home. Please fill in the reading record weekly and ensure the book is in school on your child's reading day.

The spellings for the half term are on Seesaw. Each week a new spelling list will be uploaded for practice on spelling shed and your child should practice their times tables weekly on 'Timestable Rockstars'

Please see your child's homework book for their login details. This book can be used to complete any of the tasks below but does not need to return to school.

English

Find a range of objects from around your house, draw the objects in your homework book and label them using the forms a or an, according to whether text word begins with a consonant (a) or a vowel (an). For example:

an apple.
a chair
Reminder

Vowels – a e i o u.

Maths

Look at the 3 digit numbers below. Represent each numbers using two different using a range of mathematical models/representations e.g. the whole-part-part model, bar-model, base 10, HTOs frame, in HTOs counters, as a number sentence or in words.

For example:

$674 = 600 + 70 + 4$ / six hundred and seventy-four.

Our times table rockstars focus is 3s and 4s.

Eco Challenge

Read information around the county Tyne and Wear. What is a landmark? Can you locate any landmarks that you might find in Tyne and Wear?

Create a 3D model of a landmark of your choice from around Tyne and Wear, using recycled materials of your choice e.g. plastic bottles, cardboard, scrap paper etc.

Life Skills

Have you ever found a space to read in that is weird and whacky?

Take a photograph tweet it to @AmberleyYear3 or send a copy of the photograph in to add to our classroom reading display!

Science

Start your own rock collection – Can you identify which types of rocks you have found? Watch this link to help you.

<https://www.youtube.com/watch?v=tNs1gqk1yerg>

Have a go at this rocks quiz – <https://www.educationquizzes.com/ks2/science/rocks/>

Soil mixing with water Fill a quarter of a water bottle/jar with soil and then the rest with water. Stir/shake it well and leave to stand for a few days. What do you notice? What different layers can you see?

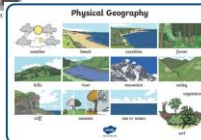

Geography

Go on a walk with an adult. What physical and human features do you see along the way? Take some pictures and note them down!

Human Geography

Physical Geography

ICT

Using the internet, identify some of these cities of the UK. Create a fact file for a city of your choice. You may wish to include:

Name of the city
Size of the city (km)
Population of the city
Special features/landmarks within the city

You could present this fact file as a poster, videos or PowerPoint. You could use Google maps to use take a closer look at the city of your choice from an aerial view.

Music

Click on/search the links below to learn about the 8 points of the compass. Discuss with an adult what a compass is used for and the situations you might find a compass most useful.

https://www.youtube.com/watch?v=f2I81_BFb-s

<https://www.youtube.com/watch?v=6Due3L2QeQM>

Now make up your own song about the 8 points of a compass. Tweet a video to @AmberleyYear3 📺

This half term we are learning about The United Kingdom: Cities and Counties in geography. Your knowledge organiser for this half term is attached with this homework grid.
