

AMBERLEY PRIMARY SCHOOL

Y3 Spring 2 Homework

Please select one activity per week to complete and upload a picture to seesaw for your child's teacher to see.

Each week your child will have a book to read at home.
Please fill in the reading record weekly and ensure the book is in school on your child's reading day.

The spellings for the half term are on Seesaw.
Each week a new spelling list will be uploaded for practice on spelling shed and your child should practice their times tables weekly on 'Timestable Rockstars'

Please see your child's homework book for their login details.
This book can be used to complete any of the tasks below but does not need to return to school.

English

Create a poster based on prefixes or suffixes. You could use the suffix 'ion' or the prefix 're'

Pretend to be a teacher. Create a PowerPoint to help you explain different types of punctuation. (!, ? , " " , . A.)

Every week you will find your spellings on Spelling Shed.

Maths

Your challenge is to learn the numbers 1-12 in Roman Numerals.

Task 2 – can you put the roman numerals around a clock?

Times tables

Please focus on the 6 and 8 times tables.

Life Skills

Help an adult to organise that messy draw or cupboard.

Help an adult to put wet clothes out to dry.

Help to put the shopping away.

Help an adult prepare a meal.

Science

It is spring which means many flowers are beginning to bloom!

Over the next few weeks, collect data on all the flowers you discover on a walk or your way to school. Take pictures and write notes about what they look like and what parts they have.

History

Find out about a famous Roman and write a fact file about them.

Stuck for ideas? Here are some famous Romans

- Julius Caesar
- Hadrian
- Marc Antony
- Emperor Nero

Reading

Visit a local library and find 5 facts or more about the Romans.

Create a Kahoot quiz for your family or friends based on the Romans.

Write a book review.
You could even upload you reading your book review out loud on Seesaw.

Art

Create a Roman shield

Sketch a Roman soldier

Use junk to create an aqueduct.

This half term we are learning about Romans in History.
