Amberley Attendance Matters

Support us in helping to improve every pupil's life chances

Do you know what your child's current attendance percentage is?

90% attendance might sound good but.....

.....this means that your child has missed **19 days** of school each year

.....**19 days** per year equates to **133 days** missed across their primary school career (**70%** of a full school year!)

Punctuality also matters

Did you know that if your child is late by **15 minutes** each day they will miss **10 days** of learning per year. If your child is late by more than **30 minutes** this is classed as an unauthorised absence.
