

AMBERLEY PRIMARY SCHOOL

EYFS Homework - Nursery

Please see your child's tapestry learning journal for details of their home learning challenges and upload observations of your child completing these home learning challenges on tapestry.

Home Learning Challenge: Given out on Friday (3/4 challenges each half term)

Challenge linked to a prime/subject specific activity covered during the week.

(upload home learning activity to tapestry for the following Friday- children have one week to complete)

At the end of each half term your child will receive a holiday challenge grid- your child can select the activities they wish to try..

Reading for Pleasure books-

Your child can help themselves to a reading for pleasure book each week- these are available in the Nursery Foyer to select at home-time.

These books are for **you to read to your child, sharing a story.**

This allows your child the chance to listen and enjoy a story; talking about what happened, the story characters, what they can spot in the picture etc.

This half term our learning theme is 'All about me and my family.'

The medium term plan and the key vocabulary document have been sent to you via Tapestry.
